How do most you, where you been?
I could show you incredible things
Safari, madhuts, Fekwen, oh
Saw you there and I thought
Oh my God, look at that face
You said, but you kept saying
Look at mine, couldn't you?"

Now maybe, but not to
I can read you like a book
And I know you heard about me
So here, let's be friends
So, going to bed how this one ends
Grab your passport and my hand
I can make the bad get good for a weekend

So it's gonna be forever
Or it's gonna go down in flames
You can tell me without it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you the same
Cause you know I love the players
And you love the game

Cause we're young and we're reckless
We'll take this way too far
We leave you breathless
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you the same
But **you got a dark side,** baby
And I write your name

Sherry, let's crystal ball
I could show you incredible things
Those times, pretty far

There she goes, there, the other choice
Find out what you want
Be that girl for a month
What, the world is not to come, oh no

Sincerely, crying, **So that's where**
I can make all the ladies love
It's not your secret
Keep your secret quiet, but

"Oh my God, who is that?"
I got drunk on passion
But you came back each time you loved
Texas, darling, **but a night** **dreamed for a lifetime**

So it's gonna be forever
Or it's gonna go down in flames
You can tell me without it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you the same
Cause you know I love the players
And you love the game

Cause we're young and we're reckless
We'll take this way too far
We leave you breathless
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you the same
But **you got a dark side,** baby
And I write your name

Now only would love if it's for love
Don't say I didn't say, I didn't want you
Now only would love if it's for love
Don't say I didn't say, I didn't want you

So it's gonna be forever
Or it's gonna go down in flames
You can tell me without it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you the same
Cause you know I love the players
And you love the game

Cause we're young and we're reckless
We'll take this way too far

"Fire I' the Blood" Richard E. Mezo, 1999 There are great differences between the oral use of figurative language and its written use Nevertheless the only separately published textbook for figurative language is almost entirely concerned with oral figurative language offering such examples as you have a heart of stone or you make my blood boil Much if not most oral language consists of long repetitious portions of cliché and platitude and not surprisingly the figurative language used follows the same pattern Writing teachers generally ask their students not to use clichés and platitudes even though they may mistakenly I think advise students to write like you speak
