I Got You Rob Hill Sr

I Got You Rob Hill, 2013-09 This book isn't about playing a game to get what you want. It's about you looking at yourself and finding ways to learn how to grow as an individual. I cannot tell you every single step you should take to get you to where you are trying to go in life. But what I can do is make sure you have enough confidence to trust your own judgments regardless of past mistakes. I want you to understand that it's okay to be exactly where you are right now whether you are single or in a relationship. Appreciate where your journey is taking you but be able to identify areas that need to change. I want you to read this book and have a better understanding of the present. I want you to know that trying to get it right is a constant process. We never arrive at a place of knowing it all. For as long as we are alive we are challenged to grow, learn, evolve, and mature. Love is a decision, not a destination. It's not something you stumble upon. You must choose to walk in it, give to it, and become it. Each of us travels a different path to find the love we are searching for. Some find what they are looking for instantly while others must jump over a few hurdles before realizing they have finally found something special. In essence, we are all just working towards what we believe we deserve: our fair chance at love and happiness.

About Something Real Robert Hillman, Sr., 2011-09-17 Maybe it's not supposed to be easy for you. Maybe you're one of the rare few that can handle tough times and still choose to be a loving person. Maybe it's going how it's going because you're built for it. Maybe you still have time to choose to be different and God would rather slow it all down and frustrate you than to let it keep going the way it is and fail you. Maybe it's just your time to refine. Maybe the pieces are being put into position and maybe it's not a test at all. Maybe there is a future tailored specifically to what's best for you ahead and rushing it could ruin it. Maybe you're as different as you feel and maybe you'll stay strong long enough to teach people to feel the same about themselves. Maybe we'll call it love. Maybe this is just what your growth looks like in this season and it's okay to accept and love that person. As long as you know you're giving it your all and the very best of you, keep going. Don't stress a thing. It's going to work out because you're not going to stop putting the work in. Signed copies available exclusively on RobHillsSr.com

Stories I Only Tell My Friends Rob Lowe, 2011-04-26 Actor Rob Lowe's memoir presents a wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye. A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio, uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. The Outsiders placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics, both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography *Stories I Only Tell My Friends* shares tales that are as entertaining as they are unforgettable.

Butt Naked Raw & Uncensored Sadiki Bakari, 2007-07-01 *Butt Naked Raw Uncensored* forcefully and unapologetically reveals the unadulterated truth, unveils the mask, fearlessly cuts edge, and downright controversial. It dares to address topics considered politically incorrect. It is this generation's liberation song, the untamed voice against corruption. A riveting sonnet for Black Love, today's plea for Sankofa, Self-Determination.

After On Rob Reid, 2018-06-05 The definitive novel of today's Silicon Valley. *After On* flash captures our cultural and technological moment with up-to-the-instant savvy. Matters of privacy and government intrusion, post-Tinder romance, nihilistic terrorism, artificial consciousness, synthetic biology, and much more are tackled with authority and brash playfulness by New York Times bestselling author Rob Reid. Meet Phluttr, a diabolically addictive new social network and a villainess, heroine, enemy, and/or bestie to millions. Phluttr has ingested every fact and message ever sent to/from and about her innumerable users. Her capabilities astound her makers, and they don't even know the tenth of it. But what's the purpose of this stunning creation? Is it a front for something even darker and more powerful than the NSA? A bid to create a trillion-dollar market by becoming the UberX of Sex Or? A reckless experiment that could spawn the digital equivalent of a middle-school mean girl with enough charisma, dirt, and cunning to bend the entire planet to her will? Phluttr has it in her to become the greatest gossip, flirt, or matchmaker in history. Or she could cure cancer, bring back *Seinfeld*, then start a nuclear war. Whatever she does, it's not up to us. But a motley band of Silicon Valley entrepreneurs, venture capitalists, and engineers might be able to influence her. *After On* achieves the literary singularity, fusing speculative satire and astonishing reality into a sharp-witted, ferociously believable IMAX-wide view of our digital age. Praise for *After On*: Rob Reid's mind is like no other known thing in the universe, and this book is a truly spectacular way to discover it. Chris Anderson, head of TED. An extended philosophy seminar run by a dozen insane Cold War heads of station three millennial COOs and that guy you went to college with who always had the best weed but never did his laundry. NPR. An epic cyberthriller peppered with pop culture references, metadata, and Silicon Valley in-jokes. Kirkus Reviews. It's rare to find a book that combines laugh-out-loud humor and cutting-edge science with profound philosophical speculation. This is that book. Analog. Rob Reid writes in a humorous and sarcastic style while unveiling a terrifying and frightening scenario that seems all too real. Associated Press.
