SERVICE MANUAL

RX-V2090

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA dealers and their service personnel. It has been prepared using basic test and procedures accepted in the industry, and most specifically YAMAHA's Products, as already known and understood by the user, and have therefore not been repeated.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a principal agent relationship of any form.

The data provided herein is to be strictly used applicable to the model indicated on the cover. The necessary engineering and service specifications of YAMAHA are continuously subject to improve YAMAHA products. Modifications are, therefore, inevitable and specific notice is a subject in change without notice or obligation to provide. Should any discrepancy appear in retail, please contact the distributor's Service Division.

WARNING: Static discharges can result in expensive consequences. Discharge any static electricity from your body and from accessories by grounding yourself to the ground bars in the unit during storage (about twice a month to this end).

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
